INTRODUCTION

It is my privilege to introduce to you, an extraordinary woman, author and speaker, Joan Brock. She has transformed adversity into challenge, and frustration into opportunity.

Joan's life has been nothing short of amazing! Recently her life story was made into an original television film for Lifetime! The movie is titled, "More Than Meets the Eye: the Joan Brock Story". It has aired several times and is sure to be replayed.

The movie is based on her book by the same title, published in 1994. Since that time Joan has toured the world, sharing her story as an inspirational speaker. Her personal style has won the hearts of her audiences, as they admire her wisdom, courage, sense of humor and deep faith.

Joan has been a featured guest at the Crystal Cathedral, the Focus on the Family radio program and has been the keynote speaker at many Christian Conferences around the country.
