Dear Joan:

Thank you so very much for being the Keynote Speaker for the sixth annual South Bay National Day of Prayer Breakfast held on May 6, 2004, in Torrance, CA. Your presentation was inspiring. It brought out how faith and prayer are so helpful in getting one to face up and move ahead in dealing with life's struggles.

Your message reached the whole audience and was so well received. I have never had as many people come up to me to say what a wonderful program they had just heard. The large number of books sold after your talk is another testimony to the effectiveness of your presentation.

Carol and I are so pleased that we had some time to visit with you at lunch and driving back to the airport. You are a most gracious person and we feel very fortunate to have met you.

Thank you again for being with us for this National Day of Prayer event. We truly hope our paths will cross once more because you make the day sparkle.

Sincerely,

Tom Gregory
