INTRODUCTION

It is my privilege to introduce to you an extraordinary woman, author and speaker, Joan Brock. She has transformed adversity into challenge, and frustration into opportunity.

When Joan Brock spoke at the Million Dollar Round Table, her performance was heralded as extraordinary! Joan's own life has been nothing less than extraordinary. Recently her life story was made into an original television film for Lifetime! The movie is titled "More Than Meets the Eye: the Joan Brock Story". It has aired several times and is periodically being replayed.

The movie is based on her book by the same title, published in 1994. Since that time Joan has toured the world, sharing her story as an inspirational speaker. Her personal style has won the hearts of her audiences, as they admire her wisdom, courage, humor... and the difference she has made in the lives of so many!

Joan also was featured in a coffee table book as one of 35 inspirational women in America, titled "Believing in Ourselves".

Here to share her story, please give a warm welcome to Joan Brock.
